Fresh brew

The taste of quality worldwide

Enjoy delicious, full aroma fresh filter coffee, at the touch of a button and whenever you need it! These are the great benefits of Bravilor Bonamat's fresh brew equipment. The FreshMore series also offers a wide variety of speciality coffees such as cappuccino, espresso and hot chocolate. A unique combination, fast and user friendly! Is it a freshly ground coffee experience that you are looking for? The FreshGround is your machine. You can see the coffee beans, hear them being ground, smell the fresh coffee and can taste the quality.

Seeing, smelling, tasting...
The FreshGround tickles your senses.

Fresh brew equipment highlighted

- Each cup freshly brewed
- Adjustable settings
- Little maintenance: automatic descaling system and rinsing program
- Bravilor Bonamat unique hot water system: less susceptible to scale formation
- Descaling signal
- 'Waste container' sensor
- 'Drip-tray' sensor
- Total and daily counters
- Available in dark-grey, FreshMore (XL) also in burgundy

A clear and user friendly operating display.
